

## Application

The Library Business Connection (LBC) is a network of local businesses, community organizations and the Miller Center at the Middle Country Public Library. Its goal is to enhance the economic development of the region. The Miller Center provides business resources, training and networking opportunities to LBC members. In order to provide the most relevant resources and programs, the Miller Center relies on input from its business partners.

To become a member, please fill out the application below and bring it, along with your public library card, to the Miller Center reference desk.
